Workshop on Utilization of E-Resources

A capacity building program on Utilization of E-Resources has conducted for staff and students by Librarian Dr.P.Anuradha. She developed a VGDC-Elearning site for eResources.

On 21-03-2022, a workshop on the utilization of e-Resources was held at Visvodaya Govt. Degree College in Venkatagiri. The workshop was attended by faculty members and students who were interested in learning about the different e-Resources available for research and other academic activities.

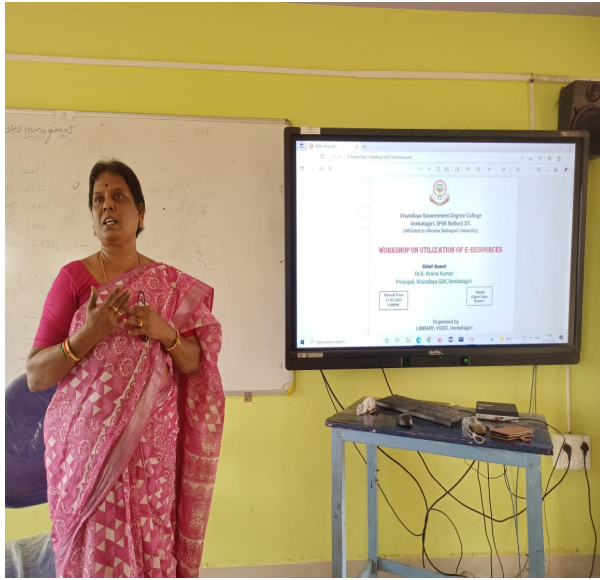

The workshop began with an opening address by the college principal, Dr. K. Aruna , who emphasized the importance of e-Resources in enhancing the quality of education and research. She also highlighted the need for students and faculty members to make use of these resources effectively in order to stay up-to-date with the latest developments in their respective fields.

Following the opening address, Dr. P. Anuradha, a lecturer in Library Science, gave a comprehensive presentation on the various e-Resources available for the academic community. She discussed a wide range of e-Resources, including academic journals, research databases, e-books, and online encyclopedias.

Dr. Anuradha explained the benefits of using e-Resources, such as easy access to information, cost-effectiveness, and enhanced search capabilities. She also demonstrated how to access these resources through the college library website and provided tips on how to effectively search for and retrieve relevant information.

The workshop was interactive, with participants asking questions and sharing their experiences with e-Resources. The workshop concluded with a vote of thanks by the college librarian, who encouraged participants to make the most of the resources available to them.

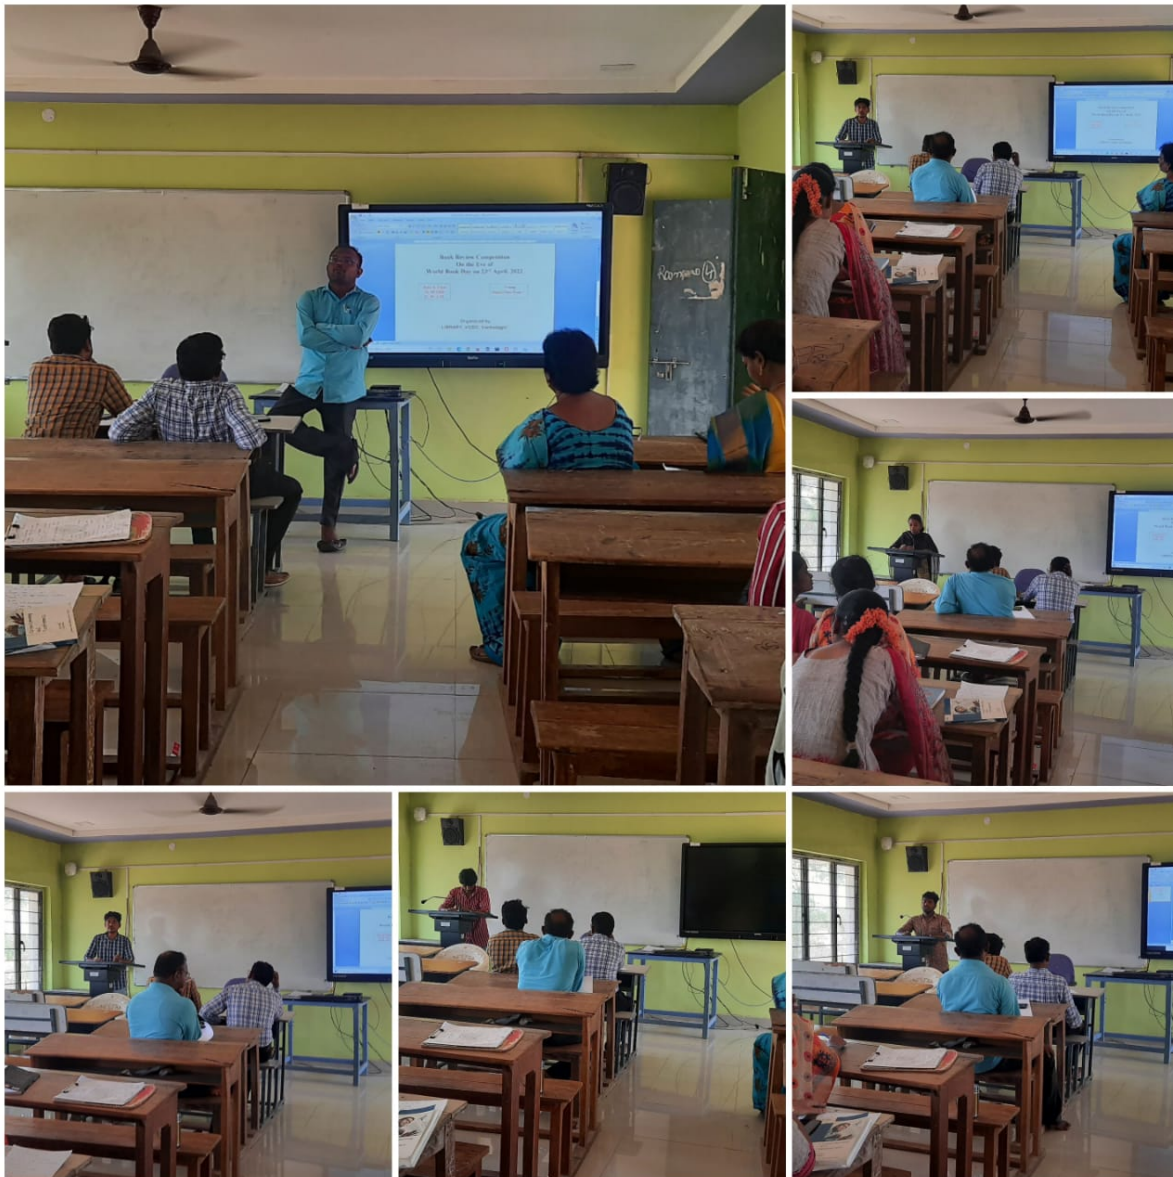

Overall, the workshop on the utilization of e-Resources was highly informative and beneficial to the academic community at Visvodaya Govt. Degree College in Venkatagiri. The workshop provided participants with the knowledge and skills necessary to effectively utilize e-Resources for research and other academic activities.
